

# Providing A Better Education For All Students

## ***Fermi Elementary and South Shore Fine Arts***

### ***Pending Board approval of proposed closure***

**Current Fermi students will be enrolled at South Shore Fine Arts for the 2013-14 school year, located at 1415 E. 70th St., unless families choose to enroll their student at another school.**

**Because Fermi and South Shore Fine Arts currently share the same facility, Fermi students will continue to attend school in the same building. South Shore Fine Arts will expand to serve students in all grades from K-8.**

**Current South Shore Fine Arts students will continue to attend South Shore Fine Arts, unless families choose to enroll their student at another school.**

- **Attendance area boundaries:** Fermi's attendance area boundary will be assigned to Wadsworth Elementary.
- **Enrollment options:** Fermi and South Shore Fine Arts families interested in enrolling their student at another school can apply via the re-opened Options for Knowledge process. Applications were provided in the transition packets sent home and can be obtained by emailing [oe@cps.edu](mailto:oe@cps.edu) or calling (773) 553-2060. Applications need to be submitted by April 19th.
- **Safety & Security:** CPS Office of Safety & Security (OSS) is working on school-specific plans to address safety for all students. OSS continues to work in close collaboration with the Chicago Police Department (CPD) to plan Safe Passage. Close collaboration with CPD and families will continue through the start of the new school year to adjust plans as needed.
- **Teachers:** Many teachers will follow their students per a joint CPS-CTU agreement. If additional teachers are needed at South Shore Fine Arts given an increase in enrollment, tenured teachers from Fermi can be assigned to these positions if they are rated in the top two performance rating categories and a position is available in the area they teach. Eligible tenured teachers will be notified of these assignments if the Board votes to approve this action and after organizational and budgetary planning activities have concluded.
- **LSC:** If a school closes, the Local School Council is dissolved at the end of the school year. Per school code, Local School Council elections at all schools will be held in Spring 2014.
- **Partnerships:** CPS will engage the Fermi and South Shore Fine Arts communities and school leaders to enable the transfer of Fermi's external partnerships and programs.
