

I. Introduction

Chicago Public Schools (CPS) is committed to ensuring that every student, in every community, has access to a high-quality, well-rounded education in order to graduate from high school ready to succeed in college, career, and life. From investments in early childhood education and a full school day to ensuring that there are effective principals and teachers in our schools, CPS is doing everything possible to provide Chicago's children with a 21st century education that helps them thrive and succeed. It is our obligation to work every day on behalf of our children's future.

However, our District faces a \$1 billion deficit, which threatens everything in our system by making it difficult to provide the robust supports and services that all children deserve. Our District's financial crisis is significantly challenged by underutilization, resulting in financial resources being invested in half-empty buildings that are costly to maintain and repair. Currently, CPS is financing schools and buildings with a capacity for 511,000 students while only serving 403,000 students. This utilization crisis is spreading our already scarce financial resources much too thin.

To address this crisis, CPS is proposing a plan to address underutilization based on significant input from partners including parents, students, teachers, principals, community and faith leaders, the independent Commission on School Utilization, the Chicago Police Department, and the Department of Family and Support Services. Through these collaborative efforts, CPS' plan represents a new day for Chicago Public Schools, and a fresh start for our students in Fall 2013.

The plan proposes to close schools that are underutilized. These actions will enable CPS to maximize resources by supporting a reduced number of school buildings, which will improve our capacity to provide all children with greater access to critical resources and supports such as libraries, technology, playgrounds, nurses, and counselors.

In order to ensure a quality education for students, CPS proposes to close Lyman Trumbull Elementary School (Trumbull). This decision is based on the underutilization of Trumbull, in accordance with the [Chief Executive Officer's Guidelines for School Action](#) (Guidelines). This action, if approved, will welcome returning students at Eliza Chappell Elementary School (Chappell), James B. McPherson Elementary School (McPherson), or John T. McCutcheon (McCutcheon), which have sufficient space and can offer a quality academic environment.

The transition plan outlined below summarizes the proposal, identifies the supports that will be provided to impacted students to create a smooth and safe transition process, and notes opportunities for commenting on the action.

II. Summary of Action

Trumbull is a neighborhood elementary school located at 5200 N. Ashland Ave., in the Ravenswood-Ridge Elementary Network of CPS. Trumbull currently serves 389 students in PE, PK & K-8th grades. CPS is proposing to close Trumbull based on the school's underutilization. The closure meets the criteria of the Guidelines.

As a result of this action, all returning Trumbull students will be welcomed at Chappell, located at 2135 W. Foster Ave., McPherson, located at 4728 N. Wolcott Ave., or McCutcheon, located at 4865 N. Sheridan Rd. Families are also encouraged to pursue other educational options at CPS that best meet their student's learning needs and family priorities. Information about educational options is provided in detail in a subsequent section of this transition plan. The proposed investments CPS will make for transitioning students at Trumbull, Chappell, McPherson and McCutcheon, as described in this transition plan, will provide students with a supportive learning environment and ease the transition process as much as possible.

The geographic boundary currently associated with Trumbull will be reassigned to Chappell, McPherson, McCutcheon, and Helen C. Peirce Elementary School (Peirce), located at 1423 W. Bryn Mawr Ave. This means that Chappell, McPherson, McCutcheon or Peirce, depending on the student's home address, will be the new neighborhood school for students living in the Trumbull boundary who are not currently enrolled at Trumbull.

III. Safety and Security

CPS has engaged multiple experts regarding school safety to make decisions that will ensure children have a seamless transition next year at all welcoming schools. The Office of Safety and Security (OSS), Chicago Police Department, the Department of Family and Support Services, and community and faith partners were all consulted as part of the safety planning process.

CPS has prepared a plan for the safety of students and staff affected by the proposed closure of Trumbull. OSS will continue to partner on an on-going basis with local community groups, elected officials, sister agencies, and the Chicago Police Department to maintain a smooth and safe transition of students to a new school environment. As part of the transition process, OSS will:

- Review and update school safety audits
- Review security personnel allocations to ensure proper coverage
- Review school safety technology and enhance systems as appropriate
- Address any safety concerns raised by students and staff
- Provide Safe Passage: CPS will invest in additional Safe Passage supports to address the safety of all students and staff traveling to and from school. Safe Passage workers wear identifiable vests and stand on designated street corners to monitor students' safety during their travel to school in the morning and home in the afternoon. Prior to the start of the 2013-2014 school year, OSS will work with the Chappell, McPherson and McCutcheon administrations and the community to designate specific intersections for safe passage supports.
- As deemed necessary by OSS, in collaboration with the community, CPS will also provide a transition security officer to assist with safety and security needs.

IV. Supports for Students and Schools

CPS is committed to ensuring a productive and supportive remainder of the 2012-2013 school year at Trumbull, and ensuring a successful transition to Chappell, McPherson and McCutcheon for the 2013-2014 school year. To accomplish this, CPS will provide the following supports to meet the academic, social and emotional, and specific learning needs of transitioning students. These resources may be further customized as feedback is obtained at community meetings and a public hearing regarding this action. Additionally, resources may be adjusted to meet the unique needs of the transitioning school population if deemed necessary by the Chief of Schools overseeing this Network.

Academic Needs of Students

If this proposal is approved, Trumbull students will be welcomed at Chappell, McPherson or McCutcheon, which are higher performing schools. To ensure Trumbull students receive high-quality academic instruction throughout the transition, Trumbull, Chappell, McPherson and McCutcheon will receive:

- Principal Transition Coordinator (PTC): PTCs are former principals, or other administrators with significant experience, who will be a resource to help the principal of Trumbull maintain academic rigor in the classroom and ensure a smooth transition to Chappell, McPherson or McCutcheon. The PTC will follow students to Chappell, McPherson or McCutcheon to ensure continuity of support for faculty and students.
- Data Support: Preparation and planning are key to ensuring the right supports are in place and ready for the beginning of the school year. To help facilitate a smooth transition for all students, CPS will provide Chappell, McPherson and McCutcheon with comprehensive data on all transitioning students. Student-specific data such as test scores, attendance, and grades will enable all school staff to proactively identify and prepare to meet the needs of every student.

- Network Chief Office Hours: Network Chiefs, who oversee a geographic network of schools, will set aside dedicated time to discuss concerns and educational options with families and students affected by this action. For specific dates and times, please contact your school or Network office.

Additionally, Trumbull, Chappell, McPherson and McCutcheon will receive discretionary resources to provide direct academic support to students. Principals, with local community input, will decide how best to utilize these resources. Selections will be approved by the Network Chief. Options for use include, but are not limited to:

- Instructional Coach or Teacher Leader: An instructional coach or teacher leader will ensure instruction quality remains high as students transition so they do not lose any momentum.
- Academic tutoring resources: resources for an academic tutoring position or program in reading and math may be provided.

Social Emotional Needs of Students

CPS understands that whenever students transition to a new school, additional support is needed to help them adjust to a new environment. CPS will provide resources and work with schools to design a school-specific program of support which may include items such as:

- Intervention groups or peace circles aimed at helping students work through concerns associated with the transition as needed.
- Implementing restorative practices (such as peer circles and peer juries) to encourage peer-to-peer problem solving and resolution.
- Access to highly structured interventions for smaller groups of students in need of more individualized attention.
- Student Leadership and Culture-Building Activities: To foster an environment that is both supportive and inclusive for all students, CPS will provide resources to school leadership to help create positive relationships among students and implement culture-building activities (such as staff luncheons and team- and trust-building activities).

Additionally, CPS believes cultural integration of the two school communities is important for a successful, smooth transition. To support this, CPS will provide resources for “Fresh Start” Activities. Chappell, McCutcheon and McPherson will be provided discretionary resources to implement "get to know your new school" activities, such as visits for families, coffee chats with the welcoming principal, picnics, field trips, and parent meetings.

Support for Specific Students Needs

To ensure students at Trumbull who have unique needs or circumstances are adequately supported in this transition, CPS will provide the Network with additional resources to work directly with families and assist in explaining their school options. Additionally, CPS will provide the following:

Students with Diverse Learning Needs

- Students who are currently enrolled in special education cluster programs at Trumbull will be welcomed at McCutcheon or McPherson. Please contact the Office of Special Education and Supports at (773) 553-1800 to discuss your child’s placement.
- Students with disabilities at Trumbull will continue to be provided instructional support both in the general education classroom and in small group or individual settings, in accordance with their Individualized Education Programs (IEPs) for the 2012-2013 school year.
- Once students transition to Chappell, McPherson or McCutcheon, all instructional, clinical and related services will be provided in accordance with their IEPs. All specialized services, including nursing, speech, occupational therapy, physical therapy, social work, psychology, assistive technology support, and special education instruction will continue to be provided in the manner stated on each student’s current IEP.
- CPS will work with Chappell, McPherson and McCutcheon to ensure classrooms are set up to meet student needs, to schedule all students in accordance with IEPs, and ensure there is adequate staff to fully implement student IEPs.

- In addition, to ensure IEP implementation, CPS will review all IEPs with the staff at Chappell, McPherson and McCutcheon, provide observations of classrooms when school has resumed, and train Chappell, McPherson and McCutcheon staff on specialized equipment for specific student needs.
- CPS will also provide disability awareness training to staff at Chappell, McPherson and McCutcheon, targeting training based on the unique population of the students in the school.
- Chappell is minimally accessible, McPherson is minimally accessible and McCutcheon is not accessible to persons with disabilities according to the Americans with Disabilities Act. Schools designated as “minimally accessible” all have a basic level of access, but the accessibility of floor levels, rooms and features may vary. For more information, contact the CPS Director of ADA Policy at (773) 553-2158.

Students in Temporary Living Situations

- The CPS Office of Students in Temporary Living Situations (OSTLS) will continue the supports currently provided to Students in Temporary Living Situations (STLS) as required by law and as they transition to a new school. These include free school meals, enrollment support, provision of required school uniforms and school supplies as needed, transportation assistance when eligible, and waiver of all school related fees.
- Students in Temporary Living Situations will be encouraged to attend cultural integration and welcoming events to introduce them to their new school, teachers, and administrators, as described above.
- Under this action, returning Trumbull STLS students may choose to attend Chappell, McPherson or McCutcheon, or meet with OSTLS staff to identify enrollment options available. For families currently enrolled in the Trumbull STLS program, younger siblings may attend the same school that their older sibling elects under this proposed action.
- Additionally, CPS will provide professional development and support to Chappell, McPherson and McCutcheon staff on providing transition services for STLS students.

English Language Learners (ELL)

- Current and future ELLs attending Chappell, McPherson or McCutcheon will receive state mandated transitional bilingual program services which include, depending on the number of ELLs enrolled, certified Bilingual and English as a Second Language (ESL) teachers and/or support from the Department of Language and Cultural Education (DoLCE).
- In addition, CPS will assist Chappell, McPherson and McCutcheon in serving students based on their language and learning needs.
- Schools that welcome newcomers to the United States will be provided student orientation kits and will receive assistance from CPS to coordinate with resettlement centers, translation/interpretation services, tutoring services in the native language, and social-emotional supports tailored to their specific needs.

Early Childhood Participants

- Students and families currently enrolled in CPS early childhood programs affected by school actions will be offered support for placement in the designated welcoming school when possible. In cases where this is not possible, efforts will be made to support families in placement through “Chicago: Ready to Learn” community based organization programs or schools in the District that have space available.
- All records will be transferred for continuity, and the Office of Early Childhood Education will track students involved in school actions to determine support needs.
- Students who will turn 5 years old by September 1st and will be attending Kindergarten next year should anticipate attending their neighborhood school. If the student was attending an early childhood cluster program, the Office of Special Education and Supports will be working with families to identify the location of the student’s school and the family should expect a placement letter.

Transportation

- Provisions for specific student populations (i.e., students with disabilities, Students in Temporary Living Situations, and NCLB qualifying students), as determined by the CPS transportation policy, will continue to apply.

V. Information Regarding Choice of Schools

CPS is committed to providing educational options that fit each student's unique learning needs and each family's priorities, and encourages families to decide if this welcoming school is the best fit for their individual student. To support families in this decision, information from the Office of Access & Enrollment is available:

- Online (www.cps.edu or www.cpscae.edu),
- By email (cae@cps.edu),
- By phone (773-553-2060), and
- In person (125 S. Clark St., 10th Floor).

Additionally, as described above, Network Chiefs will set aside time specifically to discuss concerns and educational options with families and students affected by this action. Parents and guardians will also have the option of visiting schools of choice prior to making their enrollment decision. This will be facilitated by the Network Office in accordance with all applicable policies.

Recognizing that many families would have applied for other options if they had known their school was going to be affected by school actions, CPS will reopen the application period for families affected by school actions. Students affected by school actions will be given the chance to apply to magnet cluster and neighborhood schools that have available seats. Students must apply and submit an application to the Office of Access & Enrollment by the deadline of April 19, 2013 to be considered. The application has been sent home with your child and is also available at www.cpscae.org, by calling (773) 553-2060, or in person at 125 S. Clark St., 10th floor.

VI. Public Comment

Community Meetings and Public Hearings:

CPS will hold two community meetings and one formal public hearing regarding this action. Public comment will be accepted during each meeting or hearing. CPS is committed to considering community feedback and will amend this draft transition plan accordingly.

Community Meeting 1

Tuesday, April 09, 2013
5:00pm-7:00pm
Amundsen High School
5110 North Damen Avenue

Community Meeting 2

Friday, April 12, 2013
5:00pm-7:00pm
Amundsen High School
5110 North Damen Avenue

Public Hearing

Friday, April 26, 2013
5:30pm-7:30pm
CPS Central Office
125 S. Clark St.

Further Questions and Concerns:

If you have any questions or concerns regarding this proposal and the draft transition plan, please call 311 (City Services) or visit www.cps.edu/qualityschools.

Definitions

“Closing” or “closure” means closing a school and assigning all of the students enrolled at that school to one or more designated receiving schools.

“Higher performing school” means:

- (1) receiving a higher level on the Performance Policy for the 2011-2012 school year, or
- (2) if the 2011-2012 school year level on the Performance Policy is equal, higher performing means performing higher on the majority of the following metrics:
 - for elementary schools – for the 2011-2012 school year, percentage of points on the Performance Policy, ISAT composite meets or exceeds score, Value Added reading, and Value Added math,
 - for high schools – for the 2011-2012 school year, percentage of points on the Performance Policy, PSAE composite meets or exceeds score, EPAS gains percentile in reading, and EPAS gains percentile in math, or
- (3) for elementary schools, if the 2011-2012 school year level on the Performance Policy is equal and the school does not have Value Added metrics, higher performing means a higher percentage of points on the Performance Policy and a higher ISAT meets or exceeds score for the 2011-2012 school year, or
- (4) for high schools, if the 2011-2012 school year level on the Performance Policy is equal and the school does not have EPAS metrics, higher performing means a higher percentage of points on the Performance Policy and a higher PSAE composite meets or exceeds score.

“ISAT” stands for Illinois Standard Achievement Test.

“ISAT composite” means the score of the combined ISAT reading, math and science tests.

“Performance Policy” means the Board of Education of the City of Chicago’s School Performance, Remediation and Probation Policy, 12-0725-PO2, establishing standards and criteria for placing a school on Remediation or Probation for the 2012-2013 school year based on assessments administered in Spring 2012 and other performance data from prior school years. The score and status are determined by evaluating key indicators that assess a school’s current performance, trend over time and student growth.

“School action” means any school closing; school consolidation; co-location; boundary change that requires reassignment of students, unless the reassignment is to a new school with an attendance area boundary and is made to relieve overcrowding; or phase-out.

“Space Utilization Standards” mean the Chicago Public Schools’ Space Utilization Standards, found at: http://www.cps.edu/About_CPS/Policies_and_guidelines/Documents/SpaceUtilizationStandards.pdf, establishing standards for determining enrollment efficiency, overcrowding, and underutilization.

“Value Added” means the metric that assesses school effects on students’ academic growth, controlling for student characteristics (including, but not limited to, student mobility rates, poverty rates, special education status and bilingual education status), grade level, and prior performance through a regression methodology. Academic growth is measured by the change in scale score points on the ISAT from one year to the next.
