Re: Proposed Reassignment Boundary Change of Orozco Community Academy and Cooper Dual Language Academy

Dear Orozco Staff and Local School Council Members,

Chicago Public Schools (CPS) is committed to providing every child from every community with a high-quality education that prepares them for success in college and in life. CPS students continue to make record-breaking academic progress in every part of the city. Our vision is that all CPS schools can build on this progress by offering high quality, rigorous instruction from talented educators that help put Chicago students on a path to lasting success.

Orozco Community Academy (Orozco) is a PK-8 Level 1 school located at 1940 West 18th Street. On October 19, 2018, the Local School Council of Orozco, with the support of the school community at large, elected officials, and the Cooper Dual Language Academy (Cooper) community, requested that Orozco's neighborhood 6th, 7th, and 8th-grade boundary be reassigned to Cooper gradually over time.

Following an extensive community-driven process, CPS will propose to the Chicago Board of Education that Orozco's boundary be reassigned to allow Cooper to phase in grades 6-8 and offer 6th grade for School Year (SY) 2019-20, 7th grade by SY2020-21, and 8th grade by SY2021-22. Upon completion of the boundary reassignment in SY2021-22, Cooper will be a K-8 neighborhood school, while Orozco will be able to offer additional seats for families in their bilingual gifted program for students who are bilingual and/or heritage speakers.

This proposal is consistent with the Chief Executive Officer's Guidelines for School Actions (Guidelines) because it is a proposal requested by parents or community members via the process to request proposals outlined in the Guidelines. Furthermore, the resulting space utilization after the reassignment boundary change will not exceed either schools' enrollment efficiency range, as defined by the CPS' Space Utilization Standards.

This proposed action will have no impact on the Local School Council.

If you would like more details about the proposed reassignment boundary change, please refer to the Draft Transition Plan that is included with this letter.
