Defined terms used in this Supplemental Scope of Services will have the same meanings as those ascribed to such terms in the Agreement. **1. Overview of Services**

Under this Agreement, Provider will provide the "**Supplemental Services**" described below through its "**Canvassing Ambassador's Program**" ("**Program**"). The goal of the Program is to ensure students who are identified by CPS as students most disengaged from school during remote learning are enrolled in school. Provider will provide Supplemental Services based on need in specific communities and schools identified by CPS.

Provider will dedicate a group of "**Canvassing Ambassadors**" to conduct robust door-to-door canvassing as trusted messengers to share Board approved information about CPS summer programming and the start of the 2021-2022 school year to community areas or census tracts that have high concentrations of students who have been absent from school for an extended period of time within the City of Chicago. A list of community areas or census tracts will be provided to Vendor by CPS staff from CPS Central Office. Canvassing Ambassadors serving in this capacity must be able to travel to community areas or addresses provided for student canvassing.

Canvassing Ambassadors Supplemental Services will include, but are not limited to the following: robust door-to-door canvassing of highly traveled or frequented areas as trusted messengers to share Board approved information about CPS summer programming and the start of the 2021-2022 school year. Canvassing Ambassadors will be required to deliver aforementioned information successfully, including in areas where bi-lingual canvassing will be necessary. The Canvassing Ambassadors will be provided Board approved information, flyers and door hangers which they will provide to students, residents, commuters and individuals in the assigned community areas.

**A. Protocols**

When conducting all Supplemental Services, Provider and its Canvassing Ambassadors must abide by the following protocols:

Provider acknowledges these health and safety guidelines are subject to change. Provider and all Canvassing Ambassadors must wear Personal Protective Equipment (“PPE”) and maintain an adequate social distance of at least six feet while outdoors. Provider and all Canvassing Ambassadors must also remain in compliance with all State and City guidelines that are in place at the time the Supplemental Services are provided.

2. Provider and all its Canvassing Ambassadors will work based on a list of community areas or census tracts provided by CPS central office to create a narrative that would be best practice for messaging to the family and getting information to improve student success. Canvassing Ambassadors will provide information about summer programming and the start of the 2021-2022 school year.
3. During canvassing, Canvassing Ambassadors shall wear Provider issued identification badges and vests. These vests shall not be yellow.
4. During canvassing, if a Canvassing Ambassador suspects an emergency situation involving CPS student(s) or any emergency situation exists, the Canvassing Ambassador must call 911, as well inform the school/program the student(s) attend immediately of the emergency situation. If the Canvassing Ambassador witnesses or suspects that an emergency situation exists, it is critical that Canvassing Ambassadors inform the police and/or appropriate authorities in a timely manner.
